

Request for Qualifications

The Nueces River Authority seeks request for qualifications (RFQ) proposals from qualified Individuals, Firms, or Corporations to provide design and specification services for the Completion of the Leakey Regional Wastewater System Residential Connections Project. Response to this RFQ will be accepted up to 3:00pm January 3, 2024, and submitted to the Executive Director of the Nueces River Authority prior to the deadline at:

John Byrum, Executive Director
Nueces River Authority
539 S. US Highway 83
Uvalde, Texas 78801

Prospective respondents may obtain copies of the RFQ documents by contacting the Nueces River Authority at 830-278-6810.
